

## **Jody Kulas (Poapst)**

Jody Kulas (Poapst) was raised in Foremost, AB, and after college started dancing in Medicine Hat. She was hooked from the very first class! After moving to Ontario, Jody decided to pursue her Level 1 Certificate in 2006 and followed with her Level 2 in 2008 at TAC Summer School.

Since then, Jody has taught various levels of classes with the RSCDS Ottawa Branch and the affiliated Ardbrae group. She has taught workshops in Canada and at TAC Summer School in Minneapolis, was Director of TAC Summer School for 4 years and was also involved in running TACBooks. Jody always enjoyed seeing new and creative dances coming from dancers all over the world. She believes that there is something quite special in the combination of great music and the sociability of the dance that is unmatched in any other activity!
